## INTRODUCTION

The Department of Administration encourages and exercises leadership in the development of effective personnel administration for agencies in State government. The Department fosters and develops programs for recruitment and selection of capable persons for permanent, seasonal, temporary, and other types of positions and for the improvement of employee effectiveness.<sup>1</sup>

The Department, also, develops a personnel classification plan for state positions and classes of positions in state service, and administers the pay program established by the legislature on the basis of merit, internal equity, and competitiveness to external labor markets.<sup>2</sup>

The Employee Profile answers the most frequently asked questions about state employees. The profile also serves to report to the Governor on the status of the Equal Employment Opportunity (EEO) program, required by Executive Order 24-81.

Chapter I contains general statistical information about state employees in Executive, Legislative and Judicial Branches of government (see organizational charts), such as number of employees in the by agency, regular versus temporary/seasonal employees, employee leave information and EEO status (race, sex, disability and age) by agency.

Chapter II contains information on the Equal Employment Opportunity and Classification and Pay Programs and includes information on employee compensation by pay plan and EEO category.

The Employee Profile covers a period from January 1, 2001 to December 31, 2001 for reports showing new hires, transfers, terminations and leave taken for vacation, sick and compensatory time. Other reports are a snapshot of the workforce as of March 30, 2002. The last Employee Profile was produced in January 11, 1999 using data from the Payroll, Personnel and Position Control system. Most of those reports have been replicated using data from the state's new system, Statewide Accounting, Budgeting and Human Resources System (SABHRS).

For further information on these topics, contact Linda S. Davis, State EEO and SABHRS HR Program Coordinator at (406) 444-3796, e-mail [ldavis@state.mt.us](mailto:ldavis@state.mt.us) or mail to:

## CHAPTER II

### EQUAL EMPLOYMENT OPPORTUNITY AND CLASSIFICATION AND PAY PROGRAMS

In 1981, the State of Montana affirmed its commitment to fair employment practices with the Governor's Executive Order 24-81. This Executive Order commits the executive branch of government to an Equal Employment Opportunity (EEO) program. The program objective was to "eliminate discrimination in personnel salaries and procedures, job structuring and classification, hiring, firing, promoting and training." The Department of Administration is required to implement and maintain the program.

In 2000, the State of Montana adopted new **Nondiscrimination-EEO Rules**, 2.21.4001 et seq., ARM (<http://www.state.mt.us/doa/spd/mom/3-0630.doc>) that replaced the EEO Policy dated 6/2/97 and the Sexual Harassment Policy dated 6/10/88. Sexual orientation was added to the list of protected groups. Writing an **Affirmative Action Plan was made voluntary** since most of the state agencies objectives have corrected problem areas. All agencies continue to review workforce and applicant statistical reports and some agencies are still writing AA Plans. Table A compares statistics for this year to 1999.

As part of the Classification and Pay Program, the State operates the following pay plans: Broadband, Statewide Classified, Exempt (exempt from classification and pay), Blue Collar, Legislative Services, Teachers, State Fund, Medical Professional, Information Technology and Engineering. Compensation information by pay plan is found on Reports: Pay-006 and Pay-008 on this Profile.
